

# Ceremonial Unearthing

## Brutality

Mourning the souls passed away  
Unearthing deceased spirits  
Dark cemetery sombrous gloom  
Doomed are those who enter here  
Confusion grows path obscured  
Blackened clouds shrouded sky  
Twisting shadows malformed ghouls  
Frected tombs in cavernous vaults  
Hieroglyphics etched in stome  
Inscriptions carved revealing  
Birth and death  
Running for your life  
Excavate  
Demons from the earth  
Chouls attack  
Burn deceivers  
Worship the evil god  
Those who deceive suffer  
Punishment
