The Everly Brothers

Through the black of night, I gotta go where you are
If it's wrong or right, I've gotta go where you are
I'll roam through the dismal swampland searching for you
Cause if you are lost there, let me be there too

Through the smoke and flame, I gotta go where you are
For no place could be too far, there you are
Ain't no chains can bind you, if you left, I'll find you
Love is calling me, I gotta go where you are

Oh yeah, oh yeah
I gotta go where you are
