Rio de Janeiro blue

Mario Biondi

The clouds come-a creepin' and you got me weepin' this morning
I can't believe your really gonna leave this town
everyone knows, I can't make a move with you
your turnin' my whole world, upside-down
and I get a feelin' that I've seen the last of you,
Rio De Janeior Blues
The salty air, your wind-blown hair, reflections of a dream
thoughts of you with who knows who,
flowin' through me like a stream
Brazilian serenades, linger on
help me lose my soul, in your song
and I get a feelin', that I've seen that last of you,
Rio De Janeiro Blues
Rio De Janeiro Blues
Months go by, I wounder why, I'm left here on my own
could it be my destiny, to live my life alone
these dark and rainy days are turning cold
lonely sleepless nights, gettin' old, gettin old
and I get a feelin' that I've seen the last of youRio De Janeiro Blues
Rio De Janeiro BluesRio... Rio
