Sympathy 2

Moxy Phinx

I want your sympathy
I want your fantasy
But I don't want no more trouble here
Cause I've seen my share of war
Sure I've got a roof over my head
And all my limbs
And a real nice bed
But I don't know what happened to my heart
I wanna lay me down
On the cool, cool ground
Cause I don't want no more trouble here
I've seen my share of war.
Sure I've got sense in my head
A mother's love
And my daily bread
But I don't know what happened to my heart
She is so true and blue
Don't know what happened

[instrumental break]

I ask her how does she feel
And where does she wanna go?
Just don't do nothing
Just don't do nothing
Just don't do nothing
Just don't do nothing
She said just don't do nothing
Just don't do nothing
Just don't do nothing
Oh, just don't do nothing
Just don't do nothing
Just don't do nothing
Just don't do nothing
Just do something.
