

# Vultures

## Asking Alexandria

Close the curtains, cash me in  
Gather photographers of the Devil you let in  
Digging deep inside my soul  
I don't know, I don't know Where I turn?  
Everywhere I look these vultures burn the life right outta me  
Do I run or lay down and die?  
Is it time to close my eyes? Keep me numb, I'll follow direction  
A pawn to pass around and be bled until I'm dry  
It's hard to see what's underneath  
Is it me? Is it me?  
Where do I turn?  
Everywhere I look these vultures burn the life right outta me  
Do I run or lay down and die?  
Is it time to close my eyes? For so long all I've known  
All I've seen's green lights  
Fuck your greed, all I need's somewhere to catch my breath  
Rest my head and ease my mind I've been holding on  
My grip it only used to be  
I'm much older, I'm bitter, I'm jaded, I'm lost  
Can somebody give me a sign? Where do I turn?  
Everywhere I look these vultures burn the life right outta me  
Do I run or lay down and die?  
Is it time to close my eyes?  
Where do I turn?  
Everywhere I look these vultures burn the life right outta me  
Do I run up or lay down and die?  
Is it time to close my eyes?
