

Can't Take My Eyes Off You

Cary Brothers

I know that the bridges that I've burned along the way
Have left me with these walls and these scars that won't go away
And opening up has always been the hardest thing until you came
So lay here beside me, just hold me and don't let go
This feelin' I'm feelin' is somethin' I've never known
And I just can't take my eyes off you
And I just can't take my eyes off you
I love when you tell me that I'm pretty when I just wake up
And I love how you tease me when I'm moody but it's never too much
I'm falling fast but the truth is I'm not scared at all, you climbed my walls
So lay here beside me, just hold me and don't let go
This feelin' I'm feelin' is somethin' I've never known
And I just can't take my eyes off you
And I just can't take my eyes off you, off you, off you
So lay here beside me, just hold me and don't let go
Oh, this feelin' I'm feelin' is somethin' I've never known
And I just can't take my eyes off you
And I just can't take my eyes off you
