

# Baby, Please Don't Go (J.L. Williams cover)

## Aerosmith

Baby, please don't go  
Baby, please don't go  
Baby, please don't go down to New Orleans  
You know I love you so, baby please don't go Well your man down gone  
Well your man down gone  
Well your man down gone down to County Farm  
He's got the shackles on, baby please don't go Stop being the dog  
Stop being the dog  
Stop being the dog, get your way down here, make you walk along, baby please don't go Well alright Baby,  
please don't go  
Baby, please don't go  
Baby, please don't go down to New Orleans, you know I love you so  
Baby, please don't go And I feel it right now  
My baby is leaving  
On that midnight train  
And I'm dying, dying, dying, die, die, die Yeah, baby, please don't go  
Baby please don't go  
Baby please don't go down to New Orleans, you know I love you so  
Baby, please don't go Yeah, yeah  
Well alright, alright, alright
