Slow Motion Sickness (Cover)

Dave Navarro

Continued the waiting, tearing at the wing
(I lost a friend)
A terrible plaything broken on a swing
(I lost a friend)
Kept boxes of old days when you were afraidAlone and nothing thought I had something
To ease the pain of hurting you
I just can't take this although I've made this
The evening that I'm moving throughForever to find you severing the new
(I lost a friend)
I wanted to wake you someone that I knewDon't even know you, can I go with you?
Can't say I need anything
Love this depression another session
There's nothing more that I can bringI am writing this down
(I have never lived before)
I am writing this down
(I have never lived before)Slow motion sickness, why should I fix this?
Shaken by the sight of me
The painted babies and run late ladies
Brought out a different side of meI am writing this down
(I have never lived before)
I am writing this down
(I have never lived before)I am writing this down
(I have never lived before)
I am writing this downSometimes, sometimes
I don't feel so good, I don't feel so good
Sometimes, sometimes
I don't feel so good, I don't feel so goodSometimes, sometimes
I don't feel so good, I don't feel so good
Sometimes, sometimes
I don't feel so good, I don't feel so goodSometimes, sometimes
I don't feel so good, I don't feel so good
