

# Proud to Be Ignorant

## Victims Family

I'm proud to be ignorant  
I never listen to a word that you say  
Because if I did I'd have to learn something new and then  
uh ...  
that might make me feel uncomfortable.  
I destroy what I can't understand  
It makes me feel so much bigger.  
Because everything I know is just engraved in stone and  
exactly  
like I told you in the first place.  
The people who don't think or believe like me  
should all be gathered up on a desert island  
so that I can drop a bomb on them  
but wait a minute ... not me!  
I'm proud to be ignorant.
