

All I Ever Wanted (Album Version)

Mase

Uh, uh
Get money all over again
Get money all over againGet money all over again
Get money all over again
'99, double up, uh, uhYo, when you look in my eyes, what chu see?
A sincere man or just a bunch of G
Why second guess, the brotha would last
They took a whole clique from the George and the AveThe booties in Aruba, boats and hover crafts
So, if Biggie could love the dough, Murda could love the cash
Butter Benz, gave the Tahoe to my other half
If she got the Benz then guess what Mami haveWhy dread it, tell the waiter too much ice in the crib
Blink's so drunk, he think we singing 'Nights Like This'
He say when he grow up he want a life like this
Sleep all day and plus you got ice like this?While girls throwin' head, I ain't even touch dice
I ain't trust Don King, how my trust Mike?
I date bull daggers, now, I trust Dykes
Need a cleaner nina 'cuz they don't bust rightI ain't stingy, when everybody see the plush life
Buy rims before the Benz so I look just right
Girls love me try to get the girls that love Mike
All I need is cup of Kool-Aid, I got enough iceAll I ever wanted was you for me
'Cuz that nigga who I'm with, don't give a fuck about me
And all I ever wanted was to be there for you
'Cuz that girl who you with, don't give a fuck about youYou unhappy and I can see it when you cry
You look like your life has just been minimized
I ain't your man, I'm your man on the side
You just call me when you plan to slideAnd if you ever feel like you wanna creep
All you gotta do is just give me a beep
Only way I won't call you back, 'less I'm asleep
Gettin' my money or layin' it wit' a pieceWe hit the block, shop a lot
She see her man but she don't wanna drop the top
And you know that don't really mean a thing to me
Can't no girl ever run game with me?You know Mase, got a lot of places to be
Spots in Ohio, kick in NC
And I be wit older dudes and know the rules
So, if a man pick up I know what code to useAll I ever wanted was you for me
'Cuz that nigga who I'm with, don't give a fuck about me
And all I ever wanted was to be there for you
'Cuz that girl who you with, don't give a fuck about youIf you cheat on me, I'ma cheat on you
If you don't speak of me, I won't speak of you

I'll tell you now, we wait about a week or two
Then I know what we could doWe could just get our food and stay in
'Cuz people on the block is hatin'
They know your man and know we datin'
So, we gotta do this just to stay friends, amenI lay back, I zone
You say that it's on
Then the girl try to snatch the phone
So, I knew I was happier homeAll I ever wanted was you for me
'Cuz that nigga who I'm with, don't give a fuck about me
And all I ever wanted was to be there for you
'Cuz that girl who you with, don't give a fuck about youAll I ever wanted was you for me
'Cuz that nigga who I'm with, don't give a fuck about me
And all I ever wanted was to be there for you
'Cuz that girl who you with, don't give a fuck about youAll I ever wanted was you for me
'Cuz that nigga who I'm with, don't give a fuck about me
And all I ever wanted was to be there for you
'Cuz that girl who you with, don't give a fuck about you
