All Or Nothing

Dirty Vegas

I have been out of my head
Hangin' on by a thread
To the world I'm missin'
Did I fall asleep at the wheel
Get the looks that could kill
'Cos I'm not listenin'
'Cos I'm not listenin'
There must be a better way
There must be a way to change
All of us were scared to say
So this is all or nothin'
Never know what the future will bring
Leave the past, 'cos it don't mean a thing
So this is all or nothin'
Never know what the future will bring
Leave the past, 'cos it don't mean a thing
So this is all or nothin'
Did I beat myself up again
Hide it all from my friends
Can you hear them whisperin'
There must be a better way
There must be a way to change
All of us were scared to say
So this is all or nothin'
Never know what the future will bring
Leave the past, 'cos it don't mean a thing
So this is all or nothin'
Never know what the future will bring
Leave the past, 'cos it don't mean a thing
So this is all or nothin'
So this is all or nothin'
Never know what the future will bring
Never know what the future will bring
Never know what the future will bring
Never know what the future will bring
Never know what the future will bring
It don't mean a thing
Never know what the future will bring
Never know what the future will bring

Never know what the future will bring
Never know what the future will bring
'Cos it don't mean a thing
'Cos it don't mean a thing
'Cos it don't mean a thing
'Cos it don't mean a thing
'Cos it don't mean a thing
Never know what the future will bring
