

# Blind Man

## The Eric Andre Show

Disappointing change in seasons  
Cold has come again  
Streets are flooded with excuses  
Stories never end  
People walk in their disillusion  
Wading through despair  
We must come to stand as one  
And take the cross they bear  
So we will try not to cry when we're walkin' in their shoes  
Have you heard the news?  
Hey, have you seen the blind man in disguise lookin' for his eyes?  
Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?  
The darkest times ain't always at night  
A man will hold a sign and preach

This world will not stand  
We are all among the scared  
So will you hold my hand?  
So we will try not to cry when we're walkin' in their shoes  
Have you heard the news?  
Hey, have you seen the blind man in disguise lookin' for his eyes?  
Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?  
The darkest times ain't always at night  
So we will try not to cry when we're walkin' in their shoes  
Have you heard the news?  
Hey, have you seen the blind man in disguise lookin' for his eyes?  
Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?  
The darkest times ain't always at night
