

Love And Happiness

Thelma Houston

Love and happiness
Something that will make you do wrong
And make you do right
LoveLove and happiness
Wait a minute, something's going wrong
Someone's on the phone
And it's three o'clock in the mornin'
Talkin' 'bout how he can make it rightListen, but happiness is when you really feel good with somebody
Nothin' wrong with being in love with someoneLove and happiness
Love and happiness
Wanna talk about love
Hey, loveTalk about love
Hey, love
Love
Love and happinessYou be good to me, and I'll be good to you
We'll be together
See each other, walk away with victoryOoh baby
Talkin' 'bout love and happiness
YeahI wanna tell you 'bout love
You know love is
Is being together
All love is
Working togetherOh, love
Talkin' 'bout loveOh, when you love somebody
You don't wanna stay out all night long
And when you love somebody
You know you just wanna go on homeOh, when you somebody
I, I say when you somebody
You don't wanna lie
You don't wanna make them cry no moreTalkin' 'bout love
Oh love and happiness
I, I say when you somebody
Love and happinessGonna mold to love now
Gonna mold to love
Gonna mold for love one time
