

# Maria Bethânia

## Caetano Veloso & Maria Bethânia

Everybody knows that our cities were built to be destroyed  
Everybody knows that our cities were built to be destroyed

You get annoyed, you buy a flat  
You hide behind the mat

But I know she was born to do everything wrong with all of that  
But I know she was born to do everything wrong with all of that

Maria Bethania, please send me a letter  
I wish to know things are getting better, better, better

She has given her soul to the devil but the devil gave his soul to god  
She has given her soul to the devil but the devil gave his soul to god

Before the flood, after the blood  
Before you can see

She has given her soul to the devil and bought a flat by the sea  
She has given her soul to the devil and bought a flat by the sea

Maria Bethania, please send me a letter  
I wish to know things are getting better, better, better

Everybody knows that it's so hard to dig and get to the root  
Everybody knows that it's so hard to dig and get to the root

You eat the fruit, you go ahead  
You wake up on your bed

But I love her face 'cause it has nothing to do with all I've said  
But I love her face 'cause it has nothing to do with all I've said
