I'm In The House

Steve Aoki

I?m in the house (x2)
HOW-HOW-HOW-HOW-OW
YO! YO!
I?m in the house-house-house-house
HOW-OUSE HOW-OUSE HOW-OUSE HOW-OUSE HOW-OUSE HOOOOOOW!
I?m in the house
I?m in the mother freaking house
I step this side and turn it out-out-ou-ou-ou-out
I got these honeys screaming ow (ow! ow! ow! ow!)

Yo.
I walk in through the f**king do-do-do-do-door
I ran into DJ Aoki
Step to the booth and I say, ?Yo.?
YO YO YO YO.

Beeping, I rock the mic and that?s no secret
I?m Zuper Blahq on that unique ish
So don?t be blinking, don?t be sleeping
I be, I be on my

You be jamming to this beat
I rock it with ill technique
Slinging heat like slinging coco leaves, my banging make you weak
I could beat it up, repeat it back-to-back-to-back-to-back
Directly rock the dance floor, ?cuz I?m Zuper-Zuper Blahq

I?M IN THE HOUSE.
(I?m in the house) x3

I rock the place place p-place place
I-I rock the place that?s pumping bass
That kind of bass that make it shake
That seismic frequency that make that earthquake hey-hey-hey

Let?s go
Let?s go loco and lose control
Aoki, rock that electro
That girl ??? tow with those models ayo

I?m in the house (x8)

I?m ch-ch-chilling in a house like a G
With the bloody beetroots rocking ill frequencies
MSTRKRFT, Fist of God knock ?em out with these
And the crazy f**king crookers break it down-down-down

Pase rock in the house like yo-yo-yo
Boys noise in the house like yo-yo-yo
LMFAO is in the house yo-yo-yo
I?m the Zuper-Zuper Blahq
I break it down-down-down

I?m in the house.
