

I'm In The House

Steve Aoki

I?m in the house (x2)

HOW-HOW-HOW-HOW-OW

YO! YO!

I?m in the house-house-house-house

HOW-OUSE HOW-OUSE HOW-OUSE HOW-OUSE HOW-OUSE HOOOOOW!

I?m in the house

I?m in the mother freaking house

I step this side and turn it out-out-ou-ou-ou-out

I got these honeys screaming ow (ow! ow! ow! ow!)

Yo.

I walk in through the f**king do-do-do-door

I ran into DJ Aoki

Step to the booth and I say, ?Yo.?

YO YO YO YO.

Beeping, I rock the mic and that?s no secret

I?m Zuper Blahq on that unique ish

So don?t be blinking, don?t be sleeping

I be, I be on my

You be jamming to this beat

I rock it with ill technique

Slinging heat like slinging coco leaves, my banging make you weak

I could beat it up, repeat it back-to-back-to-back-to-back

Directly rock the dance floor, ?cuz I?m Zuper-Zuper Blahq

I?M IN THE HOUSE.

(I?m in the house) x3

I rock the place place p-place place

I-I rock the place that?s pumping bass

That kind of bass that make it shake

That seismic frequency that make that earthquake hey-hey-hey

Let?s go

Let?s go loco and lose control

Aoki, rock that electro

That girl ??? tow with those models ayo

I?m in the house (x8)

I?m ch-ch-chilling in a house like a G
With the bloody beetroots rocking ill frequencies
MSTRKRFT, Fist of God knock ?em out with these
And the crazy f***king crookers break it down-down-down

Pase rock in the house like yo-yo-yo
Boys noise in the house like yo-yo-yo
LMFAO is in the house yo-yo-yo
I?m the Zuper-Zuper Blahq
I break it down-down-down

I?m in the house.
