Dream Lover

Plasmatics

Every night, I hope and pray
A dream lover will come my way
Someone to hold in my arms
Feel the magic of their charms'Cause I want someone to call my own
I want a dream lover, so I don't have to dream aloneDream lover where are you?
With a love, a love so true
And a hand I can hold
Be with you as I grow old'Cause I want someone to call my own
I want a dream lover, so I don't have to dream aloneSomeday, I don't know how
I hope, you'll hear my plea
Someway, I don't know how
You'll give your love to meDream lover until then
I'll go to sleep and dream again
That's the only thing to do
Till all my dreams come true'Cause I want someone to call my own
I want a dream lover, so I don't have to dream aloneSomeday, I don't know how
I hope, you'll hear my plea
Someway, I don't know how
You'll give your love to meDream lover until then
I'll go to sleep and dream again
That's the only thing to do
Till all my dreams come true'Cause I want someone to call my own
I want a dream lover, so I don't have to dream aloneI want a dream lover, so I don't have to dream alone
