

Every Morning

J Mascis

Every morning there's a halo hangin'
From the corner of my girlfriend's four post bed
I know it's not mine but I'll see if I can use it for
 The weekend or a one-night stand
 Couldn't understand how to work it out
 Once again as predicted
 Left my broken heart open
 And you ripped it out
 Something's got me reeling
 Stopped me from believing
 Turn me around again
 Said that we can do it
 You know I wanna do it again
 Sugar ray say, every morning
 Every morning when I wake up
 Shut the door baby, don't say a word
 She always rights wrongs
 She always rights, she always rights
 Shut the door baby, shut the door baby
 Every morning there's a heartache hanging
 From the corner of my girlfriend's four-post bed
I know it's not mine and I know she thinks she loves me
 But I never can believe what she said
 Something so deceiving
 When you stop believing
 Turn me around again
 Said we couldn't do it
 You know I wanna do it again
Every morning, every morning when I wake up
 Shut the door baby, don't say a word
Every morning, every morning when I wake up
 Shut the door baby, shut the door baby
She always rights the wrongs for me, baby
 She always rights the wrongs for me
 Every morning there's a halo hanging
From the corner of my girlfriends four-post bed
I know it's not mine but I'll see if I can use it for
 The weekend or a one-night stand
 Shut the door baby, don't say a word

Every morning, every morning when I wake up
Shut the door baby, shut the door baby
Every morning, every morning
Shut the door baby, don't say a word
Every morning, every morning when I wake up
Every morning, shut the door baby
