

One Will

Halford

I see the gods in the arena
They stand beneath the blinding lights
The roar becomes a deafening silence
In reverence before the fightOne will live tonight
 One will die tonight
 One will stand and
 One will fallOne in victory
 One in misery
Only one will take it allThen all at once begins the rumble
 A mass of body hits the floor
 Locked in a battle strength and honor
Blood, sweat and tears becomes the scoreOne will live tonight
 One will die tonight
 One will stand and
 One will fallOne in victory
 One in misery
Only one will take it all
