One Year, Six Months

Yellowcard

Sew this up with threads of reason and regret
So I will not forget, I will not forget
How this felt one year six months ago i know
I cannot forget, I cannot forgetI'm falling into memories of you
Things we used to do
Follow me there a beautiful somewhere
A place that I can share with youI can tell that you don't know me anymore
It's easy to forget sometimes we just forget
Being on this road is anything but sure
Maybe we'll forget I hope we don't forgetI'm falling into memories of you
Things we used to do
Follow me there a beautiful somewhere
A place that I can share with youSo many nights
Legs tangled tight
Wrap me up in a dream with you
Close up these eyes
Try not to cry
All that i got to pull me through
Is memories of youI'm falling into memories of you
Things we used to do
Follow me there a beautiful somewhere
A place that we can shareFalling into memories of you
Things we used to do
