The Diving Bell

The Crane Wives

I will drown for you
Sink to black from blue
And let the water win
Wear you 'round my waist
Hold your heart like a weight
Open my lungs to let you inAhhhhhhI descend so well
In an open diving bell
The beauty of the deep
Far into abyss
In your silent bliss
Calmly, will I sleepSwallow my heart whole
Sink me like a stone
I am not afraid
Of anythingThe roar against my ear
Echo heartbeats here
Crashing inside my head
Far too soon for this
But I am all in
No matter how it endsWater rushes in
But I will welcome it
I am not afraid
To give you everything
I am not afraid
To give you everything
