Sparta

Sabaton

Many, many years ago, when Persia came ashore
Heeding Leonidas' call, the Spartans went to warJoined by their brothers, a few against the fateful horde
Hellenic hearts are set aflame,
The hot gate calls their nameA final stand, stop the Persians, spear in hand
Form a wall, live to fall, and live ForeverSparta! Hellas!
Then, and again, sing of three hundred men!
Slaughter! Persians!
Glory and death, Spartans will never surrender!Morning has broken, today they're fighting in the shade
When arrows blocked the sun, they fell,
Tonight they dine in HellBy traitor's hand, secret passage to their Land
Know his name, know his shame will last foreverSparta! Hellas!
Then, and again, sing of three hundred men!
Slaughter! Persians!
Glory and death, Spartans will never surrender![solo]Sparta! Hellas!
Then, and again, sing of three hundred men!
Slaughter! Persians!
Glory and death, Spartans will never surrender!
