Guitarmy

The Blood Brothers

Advisory - the following lyrics contain explicit language:

Do you remember us?
Do you remember us?
We wrapped your corvette in cellophane, set it aflame!
Do you remember us?
Do you remember us?
We doused your TV set in propane, turned up the gain!
This party's dying so guitar-me!
Raise the glass to the guitarmy!
Do you remember us?
Do you remember us?
