Seasons in the Sun

Terry Jacks

Goodbye to you, my trusted friend
We've known each other since we were nine or ten
Together we climbed hills and trees
Learned of love and A B C's
Skinned our hearts and skinned our kneesGoodbye, my friend, it's hard to die
When all the birds are singing in the sky
Now that the spring is in the air
Pretty girls are everywhere
Think of me and I'll be thereWe had joy, we had fun
We had seasons in the sun
But the hills that we climbed were just seasons
Out of timeGoodbye Papa, please pray for me
I was the black sheep of the family
You tried to teach me right from wrong
Too much wine and too much song
Wonder how I got alongGoodbye Papa, its hard to die
When all the birds are singing in the sky
Now that the spring is in the air
Little children everywhere
When you see them I'll be thereWe had joy, we had fun
We had seasons in the sun
But the wine and the song like the seasons
Have all goneWe had joy, we had fun
We had seasons in the sun
But the wine and the song like the seasons
Have all goneGoodbye Michelle, my little one
You gave me love and helped me find the sun
And every time that I was down
You would always come around
And get my feet back on the groundGoodbye Michelle it's hard to die
When all the birds are singing in the sky
Now that the spring is in the air
With the flowers everywhere
I wish that we could both be thereWe had joy, we had fun
We had seasons in the sun
But the stars we could reach
Were just starfish on the beachWe had joy, we had fun
We had seasons in the sun
But the stars we could reach

Were just starfish on the beachWe had joy we had fun
We had seasons in the sun
But the wine and the song like the seasons
Have all goneAll our lives we had fun
We had seasons in the sun
But the hills that we climbed were just seasons
Out of timeWe had joy, we had fun
We had seasons in the sun
