

# Natural Born Bugie

## Humble Pie

There she is again steppin' out of her limousine, well  
Looking like the cover of a twenty-dollar magazine  
She's got it where you find it, if you know what I mean  
She's a natural born woman  
A natural born woman  
She's a natural born womanThere she is again watch her stop the Main Street in its tracks  
Looking like Creole queen, hair hangin' down her back  
I say, don't look too long, boy, she'll make your glasses crack  
She's a natural born woman  
A natural born woman  
Natural born womanGet your trackYeah, natural born woman  
Yeah, yeah...  
Natural born woman  
Yeah, yeah...  
She's a natural born womanWell, I'm sweatin' and I'm shakin' when I'm bringin' you the news  
You can do anything but lay off of my blue suede shoes  
That's why I'm standin' here today preachin' natural born woman blues  
Well, she's a natural born woman  
Well, yeah, natural born woman  
Well, yeah, natural born womanWell, I'm looking out my back door wonderin' which place to go  
Think I'll move on down to Memphis, pay my money to see a rock 'n' roll show  
Find me a sweet-heart Susie, together we can lose control  
Ooh, yeah, yeah, yeah, yeah  
She's a natural born woman  
Yeah, yeah, natural born woman  
Yeah, natural born woman  
Yeah, ooh  
Ooh  
All right  
Ooh
