

# Don't Cry for Me

## The Zombies

Don't cry for me  
Cause there's one thing I found out  
I can live without you every day  
and I'm better off with you far away from meDon't break your heart  
Thinkin' you have let me down  
In the light of day I can see what's real  
and now I know what I really feel for you[Repeat: x2]  
If I'm wrong, you can smile & say I told you so  
But I've got that feelin' that I found that you can lie, so  
Don't cry for me  
You will only waste your time  
Thinkin' I'm in tears, for you're here no more  
But the tears won't come, & I'll cry no more for you
