Ain't my bitch

rocketclover

Outta my way, outta my day
Outta your mind and into mine
Into no one, into not one
Into your step but outta time
Head strong, what's wrong?
I've already heard this song before
You've arrived but now it's time
To kiss your ass good-bye
Dragging me down
Why you around? So useless
It ain't my fall, it ain't my call
It ain't my bitch, it ain't my bitch
Down on the sun, down and no fun
Down and out, where the hell ya been?
Damn it all down, damn it unbound
Damn it all down to Hell again
Stand tall, can't fall
Never even bend at all before
You've arrived but now it's time
To kiss your ass good-bye
Dragging me down
Why you around? So useless
It ain't my fall, it ain't my call
It ain't my bitch
Outta my way
Outta my way, outta my day
Outta of your mind and into mine
Into no one, into not one
Into your step but outta of time
Head strong, what's wrong?
I've already heard this song before
You've arrived but now it's time
To kiss your ass good-bye
And now it's time to kiss
Your ass good-bye
Dragging me down
Why you around? So useless
It ain't my fall, it ain't my call
It ain't my bitch

No way but down
Why you around? No foolin'
It ain't my smile, it ain't my style
It ain't my bitch, no, it ain't mine
Ain't mine, your kind
You're stepin' outta time
Ain't mine, your kind
You're stepin' outta time
Dragging me down
Why you around? No foolin'
It ain't my fall, it ain't my call
It ain't my, bitch, you ain't mine
