Boohooing

Classy Silhouette

People think I'm crazy cuz I'm
Crying over you
And you may think it's funny that you
Broke my heart in two
Well I'm not gonna waste my time
Running after you
Cuz I still got my life to live
I got things to do
Yeah my heart is broken yeah
You still cross my mind
But I know all the memories
They will fade in time
Yeah I hear you laughing and
The joke was all on me me
But I'll be better baby boy
Can't you see that I'm Boohooing
and I'm Moving On
Said I'm Boohooing and I'm moving on
(Boohooing and moving and) Repeat 8 times in background
I'm gonna get over you
I'm gonna get over you
That's what I'ma do
I'm gonna get over you
I'm moving On
You hurt my feelings
and I know that you don't care
The way you went about it baby
It wasn't fair
The tables will be turned someday
and you will feel the pain
And even when the sun out
You will still see rain
And when your heart is broken baby
please remember me
What goes around...it comes around
you will see
I'll make sure I'm over you so when you ring my phone
I'll do what you did to me and leave you all alone
(Boohooing and moving and) Repeat in background

Boohooing
Boohooing
I'm gonna get over you
I'm gonna get over you
I'm gonna get over you
That's what I'ma do
Boohooing and moving
Cuz you're a heart breaker
So I'll be moving on
I'm gonna get over you
That's what I'ma do
Cuz you're a heart breaker
So I'll be moving on
I'm gonna get over you
I'm get over you
I'll be moving on
I'm gonna over you
I'm gonna get over you
I'll be moving on
I'm gonna over you
That's what's I'm do
Oh Oh Oh Oh
Boohooing but I'll be moving on
