

Isabella of Castile

STRFKR

I know,
I should go,
But I want,
To stay here with you,
In this rooom,
I can tell,
You'll never be all mine,

Never mine, okay
Never mine, okay

I know,
You have to go,
But I want,
To keep you to myself,
Like a dream,
I can tell,
You'll never be all mine,

Never mine, okay
Never mine, okay
