

I Remember When this all Meant Something

Audience of One

I am a shark
Allow me to say
Were off the line
Were all
Allow me, got to get to them
Allow me to say
I am melting I am a shark
Anchor
I call, a man Allow me, got to get to them
Allow me to say, now Tear off the walls
Allow me to say
Tear off the walls
Say
Allow me, got to get to them
Allow me to say
Now
