Oh My Love

The Score

Oh my love, let me be your fire
We're a thousand miles up and I'm 'bout to get higher
Feel my heart beating out my chest
You're the only prayer I need to make me feel blessed
Singing...
Oh-ooh-oh, oh-ooh-oh, oh-ooh-oh, oh-ooh
Oh-ooh-oh, oh-ooh-oh, oh-ooh-oh, oh-oohRest your head like it was made of stone
Next to mine, darling lay your bones
Hold you closer, let me show
We'll shape this world like it was meant to be
Made of clay for only you and me
Awake with you is better than a dream
Better than a dream
(Hey) Oh my love, let me be your fire
We're a thousand miles up and I'm 'bout to get higher
Feel my heart beating out my chest
You're the only prayer I need to make me feel blessed
Singing...
Oh-ooh-oh, oh-ooh-oh, oh-ooh-oh, oh-ooh
Oh-ooh-oh, oh-ooh-oh, oh-ooh-oh, oh-oohSafe and sound is all you'll ever know
Shake the ground, the higher that we go
We'll take the stars and show 'em how to blow
Yeah, 'cause life is more than just a waiting game
And we're not waiting 'til it's time to play
The only rules I play by are you
Play by you
(Hey) Oh my love, let me be your fire
We're a thousand miles up and I'm 'bout to get higher
Feel my heart beating out my chest
You're the only prayer I need to make me feel blessed
Singing...

Oh-ooh-oh, oh-ooh-oh, oh-ooh-oh, oh-oohI won't be afraid
If my spirit fades
'Cause when I see your face
I know that I am safe
I won't be afraid
If my spirit fades
'Cause when I see your face
