

Out of My Range

[Peyman Salimi](#)

You told me itâ€™s so sweet to be together
But these things wonâ€™t be the same forever
you donâ€™t know you donâ€™t know
But things do change
Just like the one-legged pigeon on the street
You canâ€™t just tell me to run on two feet
oh you donâ€™t know you donâ€™t know
Itâ€™s out of my range

Who wants you to cross the bridge
Whoâ€™ll pay you to drive it down
Makes no difference the poor or rich
Now they all wanna get the crown

You keep on dancing by your crazy side
And I watch you under those freaky lights
But we donâ€™t know we donâ€™t know
The gameâ€™s too strange
You see this corner here Iâ€™m bedding down
But some day baby Iâ€™ll get out of town
oh you donâ€™t know Iâ€™ve got my reason to go
The things do change

Who wants to cross the bridge
Whoâ€™ll pay you to drive it down
Makes no difference the poor or rich
Now they all wanna get the crown
