

# Rescue Me (feat. Jameil Walls & Patt Heezy)

## Isaiah Gripper

Intro - Patt Heezy:

My heart is broke, my soul aches for those who are lost hidden in pain.

Marked by guilt, held by shame.

All hope is lost, all lost in vain.

Can you hear them calling our name?

Can you rescue them before it's too late? Verse 1 - Isaiah Gripper:

What's this world coming to?

In my eyes I see right through.

Hear them calling, Hear them calling.

Everyone (falling), Everyone (falling), Everyone (falling), Everyone (falling)

Can you hear me? Can you hear them?

Everyone (falling), Everyone (falling), Everyone (falling), Everyone (falling)

Rescue me, Rescue me.

Can you hear me? Can you hear them?

Everyone (falling), Everyone (falling) Chorus - All:

Can you hear me?

Can you see me?

Can you reach me?

Can you catch me?

Will you be there when I'm calling?

Will you be there when I'm falling? Verse 2 - Jameil Walls:

What's this world coming to?

In my heart I feel you.

Hear you crying - feel you hurt.

Everyone (falling), Everyone (falling), Everyone (falling), Everyone (falling)

Can you hear me? Can you see me?

Everyone (falling), Everyone (falling), Everyone (falling), Everyone (falling)

Rescue me, Rescue me.

Everyone (falling), Everyone (falling), Everyone (falling), Everyone (falling) Chorus - All:

Can you hear me?

Can you see me?

Can you reach me?

Can you catch me?

Will you be there when I'm calling?

Will you be there when I'm falling? Outro - Patt Heezy:

I'm looking for a hope that was never mine.

Searching for some help, but it's hard to find.

Always been alone, but now I feel betrayed.

Doubts crashing in like the ocean waves.

Darkness all around me, so it's hard to see.  
I'm losing hope slowly, can you rescue me.
