

# Not Me

## Zounds

Who is gonna be one of the crowd  
Who is gonna be there shouting out loud  
Who is gonna be hanging around  
Cheering at a plan, someone's walking all around  
Not me - Not me - Not me - Not me  
Not me - Not me - Not me - Not me  
Who is gonna be one of the heard  
Sitting and standing at somebody's word  
??? Who is gonna be down in the squat ???  
Just cause someone else says you better be there  
Not me - Not me - Not me - Not me  
Not me - Not me - Not me - Not me  
Who is gonna be one of the crowd  
Sitting and standing and shouting out loud  
Who is gonna be lead round on a string  
Thinking what someone else told them to think  
Not me - Not me - Not me - Not me  
Not me - Not me - Not me - Not me  
??? Who is gonna be down in the squat ???  
Just cause someone else says you better be there  
Who is gonna be hanging around  
Cheering at a plan, someone's walking all around  
Not me - Not me - Not me - Not me  
Not me - Not me - Not me - Not me...
