

# main street

## Sugarloaf

I can?t sleep, I can?t close my eyes  
Blinked one second, the whole world pass you by  
Yeah, I guess I?m in  
All the days you spent  
I can?t eat, I can?t use my mouth  
Miss one day and the whole world cast you out  
Yeah I guess I try  
All the times a lie  
Of goodbye times, you ain?t on my side  
Satisfaction, too much of mine  
Song goes here, never let me down  
Oh the main street seems so lonely now  
I can?t hear, I can?t use my ears  
Miss one speech and you?re uninformed to tears  
Yeah I guess I?m scared

Every time I care  
I can?t breathe, I can?t use my nose  
Miss one man from the start I?m bag ? alone  
Yeah I guess I?m wrong  
I can?t sing a song  
Of goodbye times, you ain?t on my side  
Satisfaction, I go way too much of mine  
Song goes here, never let me down  
But the main street seems so lonely now  
I can?t write, I can?t bleed my soul  
Loose one friend and you whole might find its whole  
Yeah I guess you?re strong  
But I won?t let it show  
Speak to me again,  
And I have never have felt it, before.
