

With Eyes Wide Shut

Blessthefall

I know I'm not there to hold you
The Gods see the sky that I do
You make me the happiest of men
I am the happiest of men And if God takes me before you
I just want you to know I love you
And you made me the strongest of all men
I'll remain the happiest of men (The happiest, the happiest, the happiest of men) [x2] You made me the happiest
of men
I'll remain the happiest of men
(The happiest of men) [x3] I miss you
Baby close your eyes
Let's meet
In our dreams tonight
