Playing With Fire

Darin

I wait I turn
Things are heating up
But I keep looking at herI see your curves
We don t need no water
We can just let it burnIs It me or is it getting hot in here
You keep touching on me
But I don t care
This ain t where you want me
I want you, yeahYou ll see tonight
We ll leave tonight
You ll fall tonight
Yeah I can feel it heating upYou keep playing with fire
You keep playing with fire
You keep playing with fire
You keep playing with fireYou keep playing with fire
You keep playing with fire
You keep playing with fire
You keep playing with fireI can feel it heating up
I can make you fall in loveYou keep playing with fire
You keep playing with fire
You keep playing with fire
You keep playing with fireThe nerve of me
To want your body all over me
Gimmie the third
Degree
Baby I can t wait to see
Is it me or is it getting hot in here
You keep touching on me
But I don t care
This ain t where you want me
I want you, yeahYou ll see tonight
We ll leave tonight
You ll fall tonight
Yeah I can feel it heating upYou keep playing with fire
You keep playing with fire
You keep playing with fire
You keep playing with fireYou keep playing with fire
You keep playing with fire
You keep playing with fire

You keep playing with fireI can feel it heating up
I can make you fall in loveYou keep playing with fire
You keep playing with fire
You keep playing with fire
You keep playing with fireIs it me or is it getting hot in here
I can feel it heating up
I can make you fall in loveYou keep playing with fire
You keep playing with fire
You keep playing with fire
You keep playing with fireI can feel it heating up
I can make you fall in loveYou keep playing with fire
You keep playing with fire
You keep playing with fire
You keep playing with fire
