

Small Bump

Ed Sheeran

You were just a small bump unborn, in four months you're brought to life,
You might be left with my hair, but you'll have your mother's eyes,
I'll hold your body in my hands be as gentle as I can,
And now your scan on my unmade plans,
Small bump, in four months you're brought to life I'll hold you tightly, I'll give you nothing but truth,
If you're not inside me, I'll put my future in you You are my one, and only
You can wrap your fingers round my thumb and hold me tight
Oh you are my one, and only
You can wrap your fingers round my thumb and hold me tight
And you'll be alright You're just a small bump unknown and you'll grow into your skin
With a smile like hers and a dimple beneath your chin
(Oh) Finger nails the size of a half grain of rice
And eyelids closed to be soon opened wide a small bump,
In four months you'll open your eyes I'll hold you tightly, I'll give you nothing but truth,
If you're not inside me, I'll put my future in you You are my one, and only
You can wrap your fingers round my thumb and hold me tight
Oh you are my one, and only
You can wrap your fingers round my thumb and hold me tight
And you'll be alright You can lie with me, with your tiny feet when your half asleep,
I'll leave you be
Right in front of me for a couple weeks
So I can keep you safe 'Cause you are my one, and only
You can wrap your fingers round my thumb and hold me tight
Oh you are my one, and only
You can wrap your fingers round my thumb and hold me tight
And you'll be alright You were just a small bump unborn, for four months then torn from life
Maybe you were needed up there but we're still unaware as why
