

# Amie

## Counting Crows

I can see why you think you belong to me,  
I never tried to make you think,  
Or let you see one thing for yourself,  
And now you're off with someone else and I'm alone,  
You see I thought I might keep you for my own.

Amie, what you wanna do?  
I think I could stay with you,  
For a while maybe longer if I do.

Don't you think the time is right for us to find,  
That all the things we thought weren't proper could be right in time,  
Can't you see which way we should turn together or alone,  
I can never see what's right or what is wrong,  
'Cause that take too long to see now.

Amie, what you wanna do?  
I think I could stay with you,  
For a while maybe longer if I do.

Come on now,  
Amie, what you wanna do?  
I think I could stay with you,  
For a while maybe longer if I do.

Now it's come to what you want, you've had your way,  
And all the things you thought before just faded into gray,  
And can you see that I don't know if it's you or it's me,  
But if it's one of us I'm sure we both will see, yeah,  
Won't you look at me and tell me.

Amie, what you wanna do?  
I think I could stay with you,  
For a while maybe longer if I, longer if I do.

Amie, what you wanna do?  
I think I could stay with you,  
For a while maybe longer if I do.

I keep falling in and out of love with you,

Falling in and out of love with you,  
Don't know what I'm gonna do,  
I keep falling in and out of love with you.
