

# Rites Of Spring

## Slowly

You're the woman who made me a man  
I was down you taught me to stand

I was made up of nothing  
You put something inside  
You opened my chest  
And put that hurt in my eyes  
Now I've got that pain I can turn to  
When I wonder if I'm still alive

I was dead in the water  
They left me dead in the water

I was made up of nothing  
You put your hands on my heart  
Stained your fingers inside me  
And you took me apart

You're the woman who made me who I am  
Everything I've got I got from you
