Seconds

U2

Takes a second to say goodbye
Say goodbye, oh, oh, oh
It takes a second to say goodbye
Say goodbye, oh, oh, oh, say bye bye
Where you going to nowLightning flashes across the sky
East to west, do or die
Like a thief in the night
See the world by candlelightFall, rise and fall, rise and
Fall, rise and fall, rise andIn an apartment on Time Square
You can assemble them anywhere
Held to ransom, hell to pay
A revolution everyday
USSR, GDR, London, New York, Peking
It's the puppets, it's the puppets
Who pull the strings, yehFall, rise and fall,
Fall, rise and fall,Say goodbye, say goodbye
Say goodbye, say goodbye
Say goodbyeIt takes a second to say goodbye
Say goodbye, oh, oh, oh
Push the button and pull the plug
Say goodbye, oh, oh, ohFall, rise and fall,
Fall, rise and fall,And they're doing the atomic bomb
Do they know where the dance comes from
Yes they're doing the atomic bomb
They want you to sing along
Say goodbye, say goodbye
Say goodbye
Say goodbye
