

Tangled Up in You (Ft. Alexa Carter)

Aaron Lewis

Your my world
The shelter from the rain
You're the pills
That take away my pain
You're the light
That helps me find my way
You're the words
When I have nothing to say In this world
Where nothing else is true
Here I am
Still tangled up in you
I'm still tangled up in you
Still tangled up in you You're the fire
That warms me when I'm cold
You're the hand I have to hold
As I grow old
You're the shore
When I am lost at sea
You're the only thing
I like about me In this world
Where nothing else is true
Here I am
Still tangled up in you
I'm still tangled up in you
Still tangled up in you How long has it been
Since the story line began
And I hope it never ends
It goes like this forever In this world
Where nothing else is true
Here I am
Still tangled up in you
I'm still tangled up in you
Still tangled up in you
I'm still tangled up in you
I'm still tangled up in you
