

# Dance Without You (Ricky Luna remix)

Skylar Grey

So serious, all the time

I feel restrained.

I feel confined.

I cannot take your whispering, your whispering I wanna dance without you

For once just let me lose myself

I wanna dance without you

For once just let me lose myself

For once let me lose myself So insecure, so uptight

I break my neck, to be polite

I cannot take your whispering, your whispering I wanna dance without you

For once just let me lose myself

I wanna dance without you

For once just let me lose myself

For once let me lose myself How can I make history, with your choreography?

Take your hands off me, Take your hands off me

Before I suffocate I wanna dance without you

For once just let me lose myself

I wanna dance without you

For once just let me lose myself lose myself

For once let me lose myself
