We Could Run

Beth Ditto

On television Kings and Queens

Live the lifes of people's dream

You and I are human being

Living, breathing, beings

There are rules that i'm in to break

You could call this a great mistake

We can alwaus plau it safe but that's no fun

We could Run

We could runx2

Hold me close and hols me fast

I'd never thought you ever rest

Some moment were meant to last and this ain't one

We could run

This is the last time I mean it

The final dance of the evening

They couldn't call the final ball

We could run
