

# Pop!Ular

Darren Hayes

I've got a plan to make it rich and famous  
Lucky for me, for you it's a bitch you ain't in  
My plans are slowly changing  
Fame is so contagious I'm willing to sleep my way to the top  
I wanna be popular  
I don't wanna keep my feet on the ground  
I wanna be popular I must confess, I've been a very bad boy  
Been sleepin' around, talk of the town, my name is  
Hollywood will beckon, everyone will listen  
Play my video hear me on the radio  
Dancin' to the disco no one ever says no I'm willing to sleep my way to the top  
I wanna be popular  
I don't wanna keep my feet on the ground  
I wanna be popular I'm willing to sleep my way to the top  
I wanna be popular  
I don't wanna keep my feet on the ground  
I wanna be popular My friends are all in limousines  
My friends are all celebrity  
I just sold my soul Play my video, hear me on the radio  
Dancin' to the disco, no one ever says no I'm willing to sleep my way to the top  
I wanna be popular  
I don't wanna keep my feet on the ground  
I wanna be popular I'm willing to sleep my way to the top  
I wanna be popular  
I don't wanna keep my feet on the ground  
I wanna be popular My friends are all celebrity  
My friends are all in magazines I'm willing to sleep my way to the top  
I wanna be popular  
I don't wanna keep my feet on the ground  
I wanna be popular Are you willing to sleep your way to the top?  
Do you want to be popular?
