All the Way

Busted

It happens every time,
You've given me the sign,
We start to get it on,
But then you stop me.
You know i've had it up to here,
You need to be more clear,
'cause you're the one that let me here,
So take me,[Chorus]
'cause you said that you would,
But then you changed your mind,
How could you do this to me,
It's just so unkind.
And it's cruel if you say that you'll go all the way,
I can't wait for the day,
That you don't change your mind.You've got to understand,
Things are getting out of hand,
You can't just leave me sitting here unseen to.
You know i don't know what to do,
Or how long to wait for you,
You said you needed time so i won't rush you.[Chorus]
That you don't change your mind.I'll never let you down,
I'll always be around,
When you need someone
To catch you when you fall down.
I'm waiting here for you,
If you decide you want to.
If you want me to stay
Then i'm only a phone call away.'cause you said that you would,
But then you changed your mind,
How could you do this to me,
It's just so unkind.
And it's cruel if you say that you'll go all the way,
I can't wait for the day,
That you don't change...
And it's cruel if you say that you'll go all the way,
I can't wait for the day,
That you don't change your mind,
You don't change your mind.
