

Forever More (feat. The Fray & Professor Green)

DJ Fresh

[Intro: The Fray]

You got your plan[Verse 1: The Fray]

I was so blind, now I can see

You got your plan to bury me

But I'm still here, I will hold on

I won't let go cause I'm so strong[Hook: The Fray]

I just can't listen anymore

Because I've heard it all before

I can't fulfill it anymore

So now I'm breaking down the door[Verse 2: Professor Green]

People say I changed but I didn't flip, we were never allowed

All the thing did was emphasized by differences

The difference is I didn't stop, I didn't rest, I didn't quit

Still, as was, we both know who the one acting different is

Grew up in the same tracks, trying to find our way out

Eventually I skipped the shortcuts and went the long way round

The game ain't for everybody, maybe it just ain't for you

Me, I carve the path I walk, you took the path they paved for you

Finally I made it through, now you're trying to break me down

I'm everywhere, you're never there, yet you complain I ain't around

What, to keep it real, I got to pick up a bag and shot again?

You're not a friend, fuck it, I'll see you next time I'm on the ends! [Hook: The Fray] [Hook: The Fray]

I just can't take it anymore

Because I've heard it all before

I can't fulfill it anymore

I can't fulfill it anymore Forever more
