

Ravers (Includes Dungeons)

Steel Pulse

Woops outside your head
Woops outside your head
Crucial and red When the sun goes down Me little moonshine darling
And you're in the mood for love and you feel like dancing
Rub-a-dub Rub-a-dub Rub-a-dub Rub-a-dub Boogie to some music
Boogie to some music
Boogie to some music
Boogie to some music Come mek we go deh in a rub a dub (stylee)
A dis ya ridim drive the whole world (wile)
Come mek we go deh in bang diddly bang (stylee)
I wanna know how you're feeling (irie) Sounds call ravers
Got you craving for more
Sounds call ravers
Got you craving for more Come mek we go deh in a rub a dub (stylee)
A dis ya ridim drive the whole world (wile)
Come mek we go deh in bang diddly bang (stylee)
I wanna know how you're feeling (irie) Reggae bandwagon is the fashion that's going around
Dub masters back in town with the fashion that's going around
Didn't you hear Woops outside your head
Woops outside your head
Crucial and red
Woops outside your head
Woops outside your head
Woops outside your head Disco blaring through the window Ravers sounds got full control
A new day is dawning arrives without warning
Chart busting sounds to rock down the house say
Boogie to ze muzik
Boogie to ze muzik
Boogie to ze muzik
Boogie to ze muzik Reggae bandwagon is the fashion that's going around
Reggae bandwagon is the fashion that's going around So when the sun goes down me little moonshine darling
And you're in the mood for love and you feel like dancing
Rub it up rub it up rub it up rub it up Sounds call ravers
Got you craving for more
Sounds call ravers
Got you craving for more CHORUS

Come mek we go deh in a rub a dub (stylee)
A dis ya ridim drive the whole world (wile)

Come mek we go deh in bang diddly bang (stylee)
I wanna know how you're feeling (irie)Woops outside your head
Woops outside your head
Woops outside your head
Crucial and redCome mek we go deh in a earthman (stylee)
Come mek we go deh in bang diddly bang (stylee)
I wanna know how you're feeling (irie)
I wanna know how you're feeling (irie)Got you craving for more
Got you craving for more
Got you craving for more
more and more, more and more, more
