Long Way to Go

Alice Cooper

We still got a long way to go
We still got a long way to go
We all got a long way to goWhat's keeping us apart isn't selfishness
What's holding us together isn't love
Listen to the man who's been touched all his life
Yes, he's the one they call 'The Fool'Where is that savior of the sidewalk life?
And the road that takes us to the crusades
I've seen those shadows as they're moving in my sleep
Leading the blind poet to his graveWe still got a long way to go
We still got a long way to go
Yes, we all got a long way to goPlease don't waste your energy on me my friend
'Cause we still got a long way to go
We'll meet again some day but right now just go away
'Cause I still got a long way to goThe silence is speaking
So why am I weeping
I guess I love it
I love it to deathYes, we still got a long way to go
Yes, we still got a long way to go
Yes, we all got a long way to go
