

# Somewhere

## The Subways

Somewhere  
a star  
explodes  
too far  
I feel  
the wave  
but I know  
I'm safe

Don't tear  
me down  
I'm all  
worn out  
in debt  
to you  
for all  
you do

Nah nah nah  
Nah nah nah  
Nah nah nah
